Dear Mr. LI Jiaxuan,

On behalf of the organizers of the 12th International Olympiad on Astronomy and Astrophysics (12th IOAA) held in Beijing during Nov.3-11, we would like to express our deep gratitude to you for your help in formulating the problems for the Olympiad. The problems that you have proposed were creative and were appreciated by the international board.

We wish you every success in the future of your own choosing, and thank you again!

Truly yours,

Dr. Dongni CHEN (signature)
